

TITLE 3. DEPARTMENT OF FOOD AND AGRICULTURE

NOTICE IS HEREBY GIVEN that the Department of Food and Agriculture adopted Section 3591.19 and subsections (a)(b) and (c) of the regulations in Title 3 of the California Code of Regulations pertaining to *Diaprepes abbreviatus* Eradication Area as an emergency action that was effective on September 28, 2005. The Department proposes to continue the regulation as adopted and to complete the amendment process by submission of a Certificate of Compliance no later than January 26 2006.

NOTICE IS HEREBY GIVEN that the Department of Food and Agriculture also amended Section 3591.19, subsection (a)) of the regulations in Title 3 of the California Code of Regulations pertaining to *Diaprepes abbreviatus* Eradication Area as an emergency action that was effective on October 20, 2005. The Department proposes to continue the regulation as adopted and to complete the amendment process by submission of a Certificate of Compliance no later than February 17, 2006.

A public hearing is not scheduled. A public hearing will be held if any interested person, or his or her duly authorized representative, submits a written request for a public hearing to the Department no later than 15 days prior to the close of the written comment period. Following the public hearing if one is requested, or following the written comment period if no public hearing is requested, the Department of Food and Agriculture, at its own motion, or at the instance of any interested person, may adopt the proposal substantially as set forth without further notice.

Notice is also given that any person interested may present statements or arguments in writing relevant to the actions proposed to the agency officer named below on or before January 10, 2006.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Existing law provides that the Secretary is obligated to investigate the existence of any pest that is not generally distributed within this state and determine the probability of its spread, and the feasibility of its control or eradication (FAC Section 5321).

Existing law also provides that the Secretary may establish, maintain, and enforce quarantine, eradication, and other such regulations as he deems necessary to protect the agricultural industry from the introduction and spread of pests (Food and Agricultural Code, Sections 401, 403, 407 and 5322). Existing law also provides that eradication regulations may proclaim any portion of the State as an eradication area and set forth the boundaries, the pest, its hosts, and the methods to be used to eradicate said pest (Food and Agricultural Code Section 5761).

The first action adopted Section 3591.19 and subsections (a),(b) and (c) and established Orange County as the eradication area, the possible carriers and the means and methods that may be used within the eradication area to eradicate or control *Diaprepes abbreviatus*. The effect of this action was to establish authority for the State to conduct eradication activities in Orange County. There is no existing, comparable federal regulation or statute.

The second action amended Section 3591.19, subsection (a), and established Los Angeles County also as an eradication area for *Diaprepes abbreviatus*. The effect of this action was to establish authority for the State to conduct eradication activities in Los Angeles County. There is no existing, comparable federal regulation or statute.

COST TO LOCAL AGENCIES AND SCHOOL DISTRICTS

The Department of Food and Agriculture has determined that Section 3591.19 does not impose a mandate on local agencies or school districts and no reimbursement is required for Section 3591.19

under Section 17561 of the Government Code. The Department also has determined that no savings or increased costs to any state agency, no reimbursable costs or savings under Part 7 (commencing with Section 17500) of Division 4 of the Government Code to local agencies or school districts, no nondiscretionary costs or savings to local agencies or school districts, and no costs or savings in federal funding to the State will result from the proposed action.

EFFECT ON HOUSING COSTS

The Department has made an initial determination that the proposed actions will not affect housing costs.

EFFECT ON BUSINESSES

The Department has made an initial determination that the proposed actions will not have a significant statewide adverse economic impact directly affecting California businesses, including the ability of California businesses to compete with businesses in other states.

COST IMPACT ON AFFECTED PRIVATE PERSON OR BUSINESSES

The agency is not aware of any cost impacts that a representative business or private person would necessarily incur in reasonable compliance with the proposed actions.

ASSESSMENT

The Department has made an assessment that the proposed adoption and amendment to the regulations would not (1) create or eliminate jobs within California, (2) create new business or eliminate existing businesses within California, or (3) affect the expansion of businesses currently doing business within California.

ALTERNATIVES CONSIDERED

The Department of Food and Agriculture must determine that no reasonable alternative considered by the Department or that has otherwise been identified and brought to the attention of the Department would be more effective in carrying out the purpose for which the actions are proposed or would be as effective and less burdensome to affected private persons than the proposed actions.

AUTHORITY

The Department proposes to adopt Section 3591.19 and subsections (a), (b) and (c); and amend subsection (a), pursuant to the authority vested by Sections 407 and 5322 of the Food and Agricultural Code.

REFERENCE

The Department proposes to adopt Section 3591.19 and subsections (a), (b) and (c) ; and amend subsection (a), to implement, interpret and make specific Sections 407, 5322, 5761, 5762 and 5763 of the Food and Agricultural Code.

EFFECT ON SMALL BUSINESS

The proposed amendment of this regulation may affect small businesses.
